To whom it may concern:

I live at 916 170th St. in Hammond Indiana and I would like to comment on the deposit that Nipsco requires in order to have your service turned back on. I am a father of 4 and my wife does not work. It was very hard for me to come up with the deposit of \$900.00, when my service was turned off. I would like for Nipsco to have a heart with families like mine and not require such a harsh penalty. Please reconsider your deposit rules and don't punish us. I have a full time job and I deliver newspapers every morning to make ends meet.

Very truly yours,

Marco Esquivel
